Allowable Subject Matter

Claims 1-20 and 23-31 are allowed.

The following is an examiner's statement of reasons for allowance: while the superficial structural features of the claimed invention are shown by the prior art, that art fails to show or fairly suggest a loss of motion of the pivotable arm as being less than 40%. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Direct inquiry concerning this action to Examiner Dougherty at (703) 308-1628.
